## SCARY SCIENCE (6 - 14 years)

Remember the time when Halloween was nothing more than dressing up and running from house to house in search of the best candy? Halloween is a big deal...so join us and our highly motivated, somewhat neurotic mad scientist who can't wait to make things glow, smoke, ooze, pop, bleed, scream and gross out everyone who is willing to participate. You will even learn how to make gross scary stuff that will freak out family and friends.

**Queensborough Community Centre 604.525.7388**
